Retailer Notes:

Well, the Holiday crunch is on and from early indications it's going to be an Anime Season!

At the Des Moines office, the phones have been ringing off the hook. Fortunately, we

had brought in considerable stock prior to this, and (so far) we're holding our own. You

might be well advised to quickly grab the big movers this month though. We've

gotten a few new T-Shirts just in time as well as a few new compact discs. Availability

MIGHT be spotty on the import CDs, so PLEASE order early. We've also brought in the

Bubblegum Crisis roleplaying game (just the thing for stocking stuffers, if you ask us),

and we expect that it will do very well indeed.

Software Sculptors debuts Here is Greenwood this month (an excellent title), and Central

Park Media releases the second series of Votoms (the box sets seem to be

doing slightly better than the single tapes). Also heavily anticipated and shipping this

month are the Ghost in the Shell Laserdisc, the final volume of Macross Plus Laserdisc (#4),

and the Sailor Moon television series tapes. Expect all of these to sell well!

Finally, we at TRSI would like to thank everyone for making this year the best in

our 10 year history. We hope that the season is pleasant for you, and wish each

and every one of you happy holidays. We'll see you all next year!

#### JEFFÍ'S PICK(S) OF THE MONTH

There are actually a number of titles this month that Iíd expect to do very well indeed.

After months of promising, Manga has gotten the Macross Plus 4 LD and the Ghost in the

Shell LD out. The "Ghost" LD is a fairly deluxe affair, too. Thereís also the matter of

Sailor Moon, which is not everywhere yet. Any or all of these should do well!
